The Harold B. Lee Library is proud to announce the acquisition of PsycEXTRA, a gray literature database and companion to the scholarly PsycINFO database.

✓ Contains:
  - Abstracts and citations for more than 150,000 records
  - Full text for more than 70%
  - 30,000+ records added yearly

✓ Document Types:
  - Annual Reports
  - Standards
  - Conference Papers and Abstracts
  - Fact Sheets
  - Consumer Brochures
  - Pamphlets
  - Magazines and Newsletters
  - Grant Information

PsycEXTRA is accessible from the Psychology Subject Page at www.lib.byu.edu
